“ *To the Lane Kids,
We just want you all to know how much we always loved talking to your mom. She was quite a character. We can still see her in blue jeans, with her dark hair and thin, usually a sweat shirt, when you all were growing up. Billy, your mom was a great lady, as I am sure you well know.

“ *Dear Lane Family,
I am sorry to hear about the passing of Maureen. She was a long time baby sitter for me and my brother and sisters. We love her and we knew she always loved us. Her love and care gave us a security and foundation that aided us to grow into the people we are today. Thank God for allowing her to be part of our lives and may the comfort of Jesus Christ be with you during this time...*

*God Bless You,

“ *To the Lane family: I was so sad to hear of Maureen's passing. We had so much fun playing cards together throughout the years. We shared a lot of laughs together and I so enjoyed spending time with your mother. She was a fun and gracious lady. I am sorry I will not be able to attend services as I am now living in KC but she and your family will be in my thoughts and prayers. Sincerely, Audrey Rupert*

“ We are thinking of your wonderful family and knowing you are comforting each other with the loss of your mother and your father. I told your mom at your dad's service I always liked her being so feisty. She said, I didn't know it showed! Your parents were loved by so many and our hearts are with you, with love.
