“ *The stories of our lives are written moment by moment--in how we've loved, in the day-to-day things we've shared, and in the many ways we've touched each others hearts.
For each and every way Maxine's love has embraced our lives, we thank her, honor her and remember her today.
We will miss our friend.*

“ *Charlsia,*

My thoughts are with you. I hope that the thought that the end of one form of life is the beginning of another will give you some comfort. Judy
