“ Well, I don't know which of your daughters this was, but it's a precious memory I have of your family, particularly your "mommy" modeling for your girls. Kim, you were coming to Dr Toth's office for a prenatal visit and your daughter had her own baby doll in a sling type carrier, practicing her mommy skills. I was impressed ;)

“ *McKenzie, I didn't know you well but you were your parent's pride. Your courage in dealing with cancer gives all of us the strength to fight items around us. Your brothers ran on Saturday knowing they were fighting along with you. My heart and prayers go out to this sweet family, may they live knowing their trust in God will pull them through this.*

“ I didn't get to spend much time with you and your family Lonnie but you were always in my thoughts. I remember bumping into you and your babies at the Carbondale store before a fishing trip. McKenzie was always smiling brightly. I am so sorry for the pain you and Kimmy are going through.

“ I have so many wonderful memories of Kenzie. She would always sing along with me when songs we love would come on...we particularly enjoyed belting out Bohemian Rhapsody. We loved laughing at Snapchat filters and taking pics with Macy when we worked together at the pool. Every time I saw her she would break out with that amazing smile and give me a big hug. So many things come to mind when I think of her, and warm my heart. Lots of memories of all the kids playing and laughing. I love her more than words, and can't wait to see her again one day. I know she'll greet me with a smile and a hug. 💕💕

Kinzie was such beautiful soul. My latest memory of her was when she, Macy, and a friend came into the salon for pedicures before a dance. She and her friend laughed and giggled and had such a fun time. They showed me the latest crazy Snapchat filters and laughed at and shared the ones they were receiving from friends. I couldn't wipe the smile from my face as I listened to them just being teenage girls and loving life in spite of the fact she was battling an illness. I can't imagine the ache of loosing her, but I can certainly imagine the the light she is shining in heaven. My condolences to her family and friends.

When I think of Kenzie, I think of her smile and her love and patience towards the younger kids who loved to come talk to her at ballgames, my daughter included. She always looked so happy and she always came and said hello to me when she was working at the pool last Summer. You raised a beautiful daughter inside and out Lonnie and Kimmy, and she will be missed. You are in our family's thoughts and hearts.
