I worked with Melvin years ago, and Shaaron and I shared dinner with Mel and Nancy at their house. He owned one of the first Subaru's in Topeka. He and Nancy were GOOD people

“ Dear Traci, Todd and families,

My sincere (belated) condolences to you on the passing of your dear dad. I met him back in the early 90s when I had the pleasure of working with your sweet mom at KDOC. He lived a long time without her earthly presence. I can only imagine the celebration in Heaven as they were once again reunited.

*It's a different journey once our lifelong guides have passed.
Praying God's comfort and peace to you all.*

“ I had the fortune of working with Traci at SDS. So of course, I heard a lot about Melvin, and I met him as well. One thing that struck me is how big he loved his family. He truly was one of the best, and he raised a beautiful daughter inside/out. It was evident when I met him; how genuinely kind and considerate he was. Traci and family, I'm so sorry for this huge loss. Sending hugs and up prayers for you all.

Love you,
