“ Dear Stacy and entire family,
Mother called me today to tell me that your dad had passed. We're so sorry. I had just thought of you when mailing Christmas cards and wondered if you still lived on Webster St. We will keep you in our thoughts and prayers. If I could, I would get in line behind you at the drinking fountain and make you laugh until you had the hiccups. I hope you all smile again very soon. Please give our love to everyone.

Your very old friend,
Linda
