“ *To the Family, I'm very sad to hear of Mike's passing. I first met Mike back in my high school day's, actually at Kandi Ferguson's house, when she was dating Floyd Trahoon. He seemed liked he had always known me that first time we met and you can bet I never forgot him after that. God's speed be with you Mike.! Peace be with the family!*

“ *Dear Cole Family,*

We are thinking about you folks at this difficult time. We remember Mike as a young, fun-loving kid. Bob Cole (Mike's dad) worked with my dad Lawrence "Sy" Syverson at Forbes.

“ *To the Cole Family: Mike was a very important person in my life - he taught me how to drive, introduced me to the style of music that I love and now play, and countless other things. He was funny, creative, and as others have said, happy-go-lucky.*

Many laughs and good stories will always be in my memory, and my prayers and thoughts are with your family. ~Lisa

“ WOW! Mike's leaving us hit close to home. My family moved next
door to Coles' when Mike was in fourth grade. We grew up together.
I will remember many of the everyday things we did in and around
the neighborhood. Mike always had something up his sleeve! God
Bless this family today and everyday.
