“ *I just heard of Mike's passing. We grew up together on Hillside Lane and spent a lot of time at each other's homes and playing with other kids from that neighborhood. Usually riding bikes or playing Army. We were the same age. I was sorry to read of his passing.*

*I'm just now seeing this. I'm Allison, Mike's daughter. Thanks for your condolences. Even though this much time has passed it still seems like yesterday. I enjoy hearing stories about my dad from everyone that knew him. 💙*

“ To the family of Mike Fanning: I had the privilege of working with Mike the last several years. Mike took his job seriously and took pride in his work, but he was also fun to be around. He could kid with the best of them. The guys in the engine build up gang already miss him. Our condolences go out to all of you.

“ Tammy,Paul,Ashley,Allison: I will always remember Mike with that beautiful smile. Aunt Joyce and I were talking about how he had one of the prettiest smiles we'd ever seen. July 4th, 2005 was a very fun day at Uncle Bud's. Your Dad (Mike) totally enjoyed himself that day and I think especially liked giving the Harley rides. I pray for comfort and healing for you all. So sorry I am not able to make it to Topeka right now. Love, Aunt Carol
