“ *My sincerest condolences to all of Mike's family. I worked with Mike at the MDC and was always amazed at his endless talents. He and another co-worker helped me immensely, when I added on to my house. There wasn't anything he couldn't do. I will miss him and our friendship.*

“ *Condolences go out to the family. I will always remember the great conversations we had at the many dinners at Topeka Steak House, and especially that hot July trip to Cancun. And in the mornings Mike and I drank our coffee, and ate some pastries, while looking at that beautiful beach ! While the girls sleep in....*

“ I remember his intelligence and skills, especially his ability to build things with his own hands. He was good at analyzing and solving technical problems. He worked hard. Mike will be missed.

“ So sorry to hear the passing of Mike Hilbert. Our prayers and thoughts are with the family. I worked with Mike shortly after he left the Marines at Topeka Air Cargo Hub. I haven't seen Mike for 40 years but still have fond memories of our short time working together. He was one of a kind.

“ *Becky,  
We are so sorry to hear that Mike has passed. In my mind he is still the teenaged big brother of my friend down the street in Tecumseh. How funny that we ended up being neighbors again as adults. Guy and I are keeping you and all of Mike's loved ones in our thoughts.*

“ I remember when Mike was around 12 or 13 and I came up for a visit. Aunt Cathy and Uncle Glenn took us to the lodge and made Mike dance with me. I was embarrassed and he was too. We laughed about that for years afterward. He will be missed. I loved my cousin. We would talk every now and then these past few years and it was great to get to see him at Haley’s wedding.
