Mike was a wonderful friend that I met through the Topeka St Patrick's Day Committee. He was always smiling and had a good time. My thoughts and prayers go out to his family.

“ *I worked with Mike at Blue Cross and Blue Shield of Kansas for a number of years. His love of Democratic politics and of St Patrick's day were unabashed and heartfelt. His ready smile and cackling laugh brought a lot of joy to those around him.*

“ Mike played bridge with my late life partner, Vince Nordberg. When Vince became very sick with cancer in 2016, Mike was always close by. One Monday afternoon, Mike and another bridge friend stayed with Vince so that I could go shopping. That night, I called Mike as Vince's health worsened. I called hospice. Mike stayed until hospice took Vince away. An hour later, I got a call from hospice. Vince had died. I called Mike first and then everybody else. I will always be grateful for the friendship Mike showed Vince. I will always be grateful that he was with us that night. To his family (including my former co-worker, Sean), please accept my love and sympathy for your loss.
