“ *We send our deepest sympathy for your loss. We were completely shocked by the tragic news that Mike passed away. You had so many hopes and dreams together I cannot imagine what you are going through. If you need anything at all just email us...email us anyways we would like to hear from you. Mike worked at IB-Tech and we had also went to an Indian's game with you two, if you don't remember and a few other funny things pop to mind. Again, our deepest sympathies!!!*

“ *All to quickly Mike was taken. So many years to get him here were worth the wait once he was here enjoying his work and life. Everyone at the plant still regrets the loss of humor and professionalism Mike brought to our program. Jeanne, we are just a call away if there is anything you need - Steve, Ed, Dave, Gale*

“ Jeannie, our thoughts are with you and your family and friends. It was devastating to hear about Mike--we had just met you and him at Susan and Kevin's wedding. Mike was a very outgoing and friendly guy. I am sure your heart is breaking right now. Susan had called me immediately when she found out you and Mike had moved back to Kentucky--she was so excited. I am sure Mike will be missed. Hang in there---Mike would want you to. Let us know if we can do anything. With sincere sympathy

“ All of my dreams seem to fall by the side like a discarded thought or the day's fading light, but I know that if I could just see you tonight forever. At times I may fall like we all tend to do, but I reach out and find that I've run into you, your strength is the power that carried me through forever. Your kindness for weakness I never mistook, I worried you often, yet you understood that life is so fleeting, these troubles won't last forever. Inspired me truly you did from the start to not be afraid and to follow my heart, there's a piece of you with me they can't tear apart forever. Forever I'll find you, forever we'll be, forever your power and strength stays with me, forever.
This song seemed to say everything I couldn't. Iloved every second of you Mike.

“ *Hello,
We have shared many thoughts, hopes and feelings during the past
year-plus. We wished we could tell you that time heals all; for us
time seems to have eased our inner pain from the loss of our Mom.
Since Mother's passing in January, we can't deny the sadness that
continues within our hearts, but thinking of her and all that she
brought to our lives, brings a very special joy now. Her spirit for life
is alive in our family. Your Mother shared this love of life with you
too. Their legacy for living with spirit during the good and not so
good times of life, doesn't die. We know and hope with all our hearts
this sharing of spirit will bring you and your family a sense of peace
and calm.
With loving thoughts,
Fran and Alan Hug*
