“ *I so much miss my dear twin brother Mike. I feel one huge void in my life and know that he was loved by so many. It makes me grin just to think of our antics growing up through the years. We've stayed closer than a bug on a windshield right up to the time of his death. May he rest in peace. Ric Sheridan*

“ *Stacey Jo, I'm so proud of the way you have handled everything during this time. You have grown so much over the years we've been family. We must trust the good Lord's plan and I am certain that you have one more angel looking down on you. Your worrying can be put to rest as Dad is now safely home. May the good Lord give you the strength and energy to tie up the loose ends you still have in front of you. Please include me when help is needed. You know I'll always be there for you. You are in my thoughts and prayers. I love you, Mike*

“ Hello Stacey, I am you Dad's first cousin. He and Rick are exactly 1 year and 1 day older then me. I have wonderful memories of growing up with those two wild and crazy twins. My heart goes out to you and the entire Sheridan family for your loss. The last time I saw Mike was in Omaha many years ago, but he was the same fun loving, bright and amusing friend I had always remembered. Please know that many of us remember him and regret his passing...Linda

“ I am saddened to hear about your loss of your dad, brother and my friend. I will never forget Mick as he was my High School sweetheart. I won't forget the night Rick came to take me out and pretend to be his brother. We did laugh. Mick was always kind and tender hearted. Never a dull moment. Over the years we had kept in touch from time to time. Know that you are in my thoughts and prayers at this time. This has been a difficult year for all of you. God Bless You.

“ Stacey,
Words can not describe how sorry I am for the loss of your Dad. You have been dealt a really hard hand this year but know that you have very loving friends and family here for you when you need them. I've always been told that God won't give us any more then what he knows we can handle. Please call me if you need anything. Love you so much.

“ Dear Stacey,

Your father was my neighbor and my friend. He was there for me in my time of need and I tried to be there for him. He was sweet as he was witty. He was a brother to me, and we spent hours talking and praying. My dog loved him, he always brought him a special treat each night that Wilson will now miss. Your dad never really saw what a great man he was, I told him often how lucky I was to have him next door. He loved you to the fullest and often wondered how you put up with him? He is free of the pain now and will be watching over us, and I am sure throwing a few giggles our way. Take care my thoughts are with you always.

“ *My sweet Stacey.... You were your Dad's Pride and Joy. You gave him a reason to carry on. He was so proud of you...he would smile at the mere mention of your name. He was a good man and helped any one who needed it! You don't have to worry about him anymore because he is with the Great Protector. I know he is watching over you now.....more than he ever could on this earth. I will be forever grateful to him for giving me the most precious daughter anyone could ever wish for.....I love you...Mom*

“ *Big Mike;*

Do you remember why we started calling you "Big" Mike. Because 4 other guys in our group were named Mike, and we needed some extra "qualifier" .. and where taller/larger than the others ...he,he.

We are going to miss you. Your intelligent wit was always enjoyed by all.

My wife said about you, that you processed something that few men really have ... natural charm and charisma. Another reason we will miss you.

This Friday night, as you rest in the bosom of our Father, please see our ministry's 1 minute moment of memorial in your honor.

Mike, I consider it a privilege to have known you, and I will miss you.

*Have Blessings with the Father.

“ *Dear Stacey,*

I am your dad's cousin who lives in New Mexico. I try to keep up with the family through Carol Clark and aunt Harriet and her boys. I am so sorry to hear about your dad. Your family has been through so much this year. I just want you to know you are in our prayers. If you ever get out west we would love to meet you. I met Cindy and her daughter and granddaughter in Chicago this summer. It was so good to be around family. Maybe we can do this again sometime.
