“ *Dear Family and loved ones of Michol,*

I was so sad to learn of her passing. We played softball togeher on the Red Hots at Ken Berry. I remember what an awesome player she was (I however, was not so gifted and no one was ever hateful about it). I still remember her beautiful, sparkling eyes. May you find peace and comfort from God's love during this most difficult time.

*Sincere Sympathy,,

“ I babysat Michol and Shawn when they were little. I always thought Michol was the most beautiful little girl I'd ever seen. I lost track of her through the years and was totally surprised a few years back when she introduced herself to me at a shopping event I was part of. It had probably been 40 years since I'd see her! The beautiful little girl had grown up to be a beautiful woman, inside and out. My sincerest condolences, Elaine and family. Hugs and prayers.

“ My deepest sympathy to Warren and his children. Over the past 30 years, I have so many wonderful memories of time spent with her. We worked together at Yellow Freight and at Schendel Pest Services. We had a lot of good laughs and shared a lot of fun times at work and outside of work. George Strait will always be our hero.

Michol and Warren always wanted children and finally they got their family. She was a great Mom. Although the time she shared with them was brief, she will forever be in their hearts. She was a true friend and one that my family will greatly miss. Lots of love and sympathy to her family.

“ Sad to learn I have lost another Red Hots teammate. Michol was one of the best softball players in our league, and it was always fun to get back together in the summer. Peace and strength to your family as you navigate her loss.

“ I will always remember the day we went to Carlos O Kelly's and was drinking margaritas and the waiter came to our table and said he was bringing the other waiter cuz it was shift change and Michol and I looked at each other and died laughing because we didn't even realize we've been there that long let alone drink as many margaritas as we did. There are plenty of great memories with Michol, Warren, Billy, Tammy, myself and my husband Raymond. Michol he was a very great person and fun person to be around you will be missed dearly. Go fly high. You will be loved and missed daily until we meet again. Love ya sis

“ There are too many great memories to pick just one. Halloween costumes, dinner and movie with our husbands, shopping at the mall and being late back to work from our lunch break. Most of all I would like to say, thank you Michol for always being "you". I have never met a person so caring, generous, loving, fun, kind and with a beautiful soul such as Michol was. Just knowing you over the last 6 years has made such an impact on my life. I love you my sweet beautiful friend. Rest easy until we meet again.
