“ Mickey introduced me to small town life when I became managing editor of the Atchison Globe. Her advice was golden, and led to an increase in Globe circulation. Mickey taught us to be thorough, on time and compassionate toward the community. Thanks, Mickey for your guidance.

“ Mickey was like a second mom to me, especially so after my own Mom passed away several years ago. She was a bright sprit who brought joy into all that she did. The world is a better place because of her, and I am a better person for having known her.

“ As a cub reporter, Mickey was my mentor at the Globe. She taught me more than I could write here. I enjoyed her company and loved to have discussions with her about current issues. She was a stickler for spelling, grammar and AP Style. She urged me to dig deep in my reporting and to leave no stone unturned. I credit much of my successful career to Mickey Parman, a mentor, friend and confidant. As a high school student, Mickey gave me and my teammates the confidence and self-esteem teenagers need by always covering all of our golf matches and putting our photos in the Globe. We thought we were big shots because of Mickey Parman. She did this for generations of athletes in Atchison and deserves credit for building the self-esteem of hundreds, if not thousands, of Atchison area athletes. She is responsible for the scrapbooks of countless athletes whose families enjoy to this day. She was truly the Sports Roamer. She did more for the Forest of Friendship than any other person by a mile. If it were not for Mickey, there wouldn't be a Forest of Friendship and the International 99s would have been long forgotten. She also did a lot for the Cray Museum and the city of Atchison as a whole. She was a great woman — let's not forget the first female sports editor in Kansas — and loved her craft and family. I had kept up with Mickey in recent years by email, on Facebook and a few phone calls. I and am saddened by her passing.

Love ya, Mik.

“ Mickey and her sister were our neighbors up the street in Atchison for several years. Mickey was a great lady. She was her own person. We always enjoyed her writings for the Globe.

Hope she is having a good time in heaven.
