“ Patti, Todd, & Tiffany,  
*I was shocked & sad to see Mike's obituary in the paper today. I know this is a difficult time for all of you. It is so hard to lose someone you love so deeply. One thing that I know for certain after experiencing the same loss, losing Freddie, you will always have a special Angel looking down on your 24/7. Patti, if you need someone to talk with, please don't hesitate to give me a call. I know for me it really helps to talk with someone that has experienced the loss of your confidante, best friend, and lifetime companion. My thoughts & prayers are will you all.*

“ I was so surprised to hear of Mike's passing. All of you are in mine and my staff's thoughts and prayers. We truly enjoyed doing business with Mike. Mike and I used to joke about my broken arm surgeries and his knee surgeries. He will always be remembered. We are very sad to know we will not have the pleasure of working with him. God Bless you all.

“ Patti, Tiffany, Todd and families....our hearts ache for you all over the loss of someone so deeply loved by all of you. At a time like this there are no answers to our many questions and we can only trust that the Lord will carry you through this very difficult time. I KNOW that HE will. You have many friends who are lifting you up in prayer and asking for Him to bless you with that "peace that the world cannot understand". Please know that you all are in our thoughts and prayers constantly. We feel blessed to have known Mike and will miss his humor and smile.
