“ Molly and I first met when she moved in three doors down from me when we were about 9 or 10 years old! That's a long time ago!! I have lots of wonderful memories with her. We walked to and from school, we played together till sundown, we both had paper routes that we helped one another with . We would load up our papers in our sacks and carry them around the neighborhood together. One Sunday my bag was so full that she said I looked like a turtle and from then on, she nicknamed me turtle!!

We went through life, she moved to Kansas and we still kept in touch until we were in our 20's then lost touch for about 15 years then around 2008 we got back in touch with one another and it was as if a day had never passed. She is my one true friend, my confidant! We could tell one another anything and know that there would not ever be judgment, only support and love!! She is and will always be , my Best Friend!! I will miss hearing your uplifting voice but know that we are so grateful that you fought as hard and long as you did, we all learned so much from you and your desire, strength and love that you showed to your kids , family and friends! Come and visit me anytime and enjoy the beach house!! God be with you!!

Love and peace to you My Friend!!! Vicki and Paul Marshall
