“ *Gina and Family - We were so sadden to hear of the passing of Nancy. Having lived next to Nancy and Terry for 10 years, we came to think of them as family and enjoyed all of the times that we shared together from teaching Kenzi to walk to working in the yards together to just sitting and visiting. Nancy was a strong, opinionated woman and like another mother to us during those years. We will forever be grateful to have known her!*

*Our hearts and prayers go out to you during this difficult time.*

*Love to all!*

“Po” there's many thing's I could say about the times we spent together like going to the Wrestling Matches, time spent at your place with Terry, Grandma, Rickie, Gina & can't forget Buster Brown. You will be Greatly Missed My Friend & will say... I known you've gone to Heaven for we've had lot's of rain & thunder. The thunder was our sign here on Earth that those Pearly Gates we're being opened & the rain was our sign that the Angel's greeting you were shedding Joyous tears due to they had another Angel joining them. Rest Peacefully & Love You 🥺
