“ *So sorry to see of Nancy's passing away in the Minot ND paper. Penny Sterud had sent me an email that she was running down to see Nancy because she was sick with cancer. I was shocked to hear that! I was a classmate of Nancy's and we had fun times in high school and we also were confirmed together. My thoughts and prayers are with all of you in the weeks and months ahead. It's very hard to lose your mother and sister (for her sisters)Hugs go out to all of you. “ *To Sidra and Family,*

We are so sorry for your loss. We share in your grief.

Nan Mattson was a wonderful woman, a good personal friend, and a fun person to party with. We will miss her greatly.

Nan had a wry, humorous look on life, presenting her views with a throaty laugh, a shrug of her shoulders, a wrinkling of her nose, a nudging up of her glasses. We shared many fun times with Nan and her husband, Big Al. What wonderful people! We miss them both lots.

Our hearts go out to your family in this time of sorrow.

“ Sidra, I'm so sorry!! Your mom and I ran into each other this summer and promised to get together but didn't. I had no idea she was sick! When your dad died, you asked me to keep in touch with her, and I didn't, really. When we'd run into each other, she was full of news of you and her recent travels; so I thought all was well. Though I too worried about the loneliness she must have felt. She invited me to a party for you last year, but I was out of town. I'd been thinking of her earlier this month and wanting to catch some good music together. May you and your girls be warmed by your memories of her humor, her wisdom, her self-discipline and her love. We'll not meet anyone with her style of wit and humor again. Your parents seemed to me to have a lot in common with my parents. You and I were both lucky to have been the recipients so much love. I cry with you in sadness.
