“ *Naomi was always so cheerful and friendly. I'm not sure when I first met her, but it was possibly when she was a file clerk at the Legislature. And, then, I have seen her a lot lately at the beauty shop. She was a great little lady and I know you will miss her very much, as will I. My deepest sympathy to all the family. -- Charlene Swanson*

“ *Naomi was family and she knew how precious she was to us. Collin was "her boy" and Buzz and her adored each other. Couldn't have asked for a more loving neighbor. Her laugh and the sound of her voice stays with us as we still talk often. By the way when I asked her how she liked her New Home she said very clearly "I LOVE it!"...would you expect any less? She had a wonderful life with many Blessings - Much love sent your way always -*

“ *Dear Deanna, I was sorry to read that you lost your mother. She lived a long life, but I'm afraid the end was not as easy a passing as might have been hoped for. I know you will miss her terribly. An orphan is an orphan at any age. It's when they're gone that you think of all the things you wish you had asked them, and maybe some things you wish you had told them.*

“ *I was so sorry to learn of Naomi's death this morning. I always enjoyed waiting on your mother when I worked at Gallery Classic, seeing her in the neighborhood and going to her garage sales and chatting with her. She was such a beautiful and sweet lady and I will miss running into her around town.*

Please know that I am thinking of you all during this difficult time.

“ I wish to offer my deepest condolences to the Larson family on the loss of your loved one. And hope that the words found at Acts 24:15 will give you some comfort for it says in part "there is going to be a resurrection..." You have the hope of seeing your loved one again when this prophecy is fulfilled in the near future. So may the Almighty God continue to bless you and comfort you during this very difficult time.

“ To Naomi's family: Jake and I wish to extend our deepest sympathy and prayers to all of you with the death of your mother. I will be thinking of you on Friday, and am so sorry I cannot come to the funeral because I will be out of town on Thursday and Friday. Many years ago I always enjoyed visiting with your mother. I wish you peace in the days ahead.

Sincerely,
Carole Mertz
