“ I am so very sorry to hear of Nicki's passing. I have not seen or spoken to her in a very long time. But I have often spoken about her to my family and friends. I attended East Topeka Jr High School with Nicki. She, Phyllis and I were what i want to think good friends. Nicki was one of the most kind and sincere people I have every known. She had a quiet nature, but very caring. That is the way I remember her. So sorry that I did not stay in contact with her. You family has loss a gentle soul, and my heart goes out to all of you. “ Nikki was a beautiful soul. She was kind, helpful, compassionate, and absolutely loved each and every child she worked with. I had the privilege of working with her during the Christmas stores at Mater Dei for as long as she was there and she was always patient, kind, helpful, and full of smiles. When you looked at her she would smile and it brought joy to your heart, at least to me. She made a very positive forever impact on me and my 4 girls (Gennavieve, Josulyn, Alaura, and Alysah) and will be missed. However, I am sure she is very happy to see her boys again in Heaven. I pray that you find strength in God and one another during this difficult time and that her memory lives on through you. My thoughts and prayers are with you.

“ Nicki always had tremendous faith, a kind word, a listening ear, and when she was talking to you, she made you feel as if you were the only one who mattered. Her laugh warmed my heart, and she was such a special part of my children's lives. Yikes, the fights over her pumpkin bread! Thank goodness for graduation she gave them each their own. I remember the delight when Ethan asked if she would be his MVP during Catholic Schools Week. She made everyone feel special. Her pride in her husband, children and grandchildren was evident; she displayed their photos, and was always willing to share stories. She will be greatly missed. My thoughts and prayers are with her entire family. Rest in peace, Nicki.
