“ *May the Angels above greet Little Noah and take him by the hand and lead him to the clouds, to watch upon his family from there. He touched all while he was here. My prayers go out to the family during this trying time.*

My deepest thoughts are with you at this terribly sad time for all of
you. I can't even imagine the pain you are going through. Baby
Noah is in a better place and will never have to go through any
pains and struggles in this world and there will be that wonderful
day when you are reunited with him!! Please know that you are all in
my thoughts and prayers and if there is ANYTHING I can do to help,
please do not hesitate to call. Again, you are in my every thought

“ *To Noah's parents, sister and brothers, grandparents, cousins and
most especially to GodMother, Aunt Mary. He touched your hearts
in such a special way and nothing can be said to ease the
heaviness of the pain in your heart at this fragile moment. Knowing
that he is now with our Father in heaven, having reached his reward
without having to deal with the wickedness of this world, may bring
you some peace. Our hearts are weeping with you and we will keep
the family in our prayers for comfort and strength. With heartfelt
condolences.*
