“ Getting to know Norma was a true joy. She was dedicated to her family and grandkids and I was fond of giving her a hard time. Asking her about recent travels or "trips up north" would always bring excitement to her face and she loved sharing. We'll save you a seat in the stands at the "Dungeon."

“ Thanks Mila, Tim, Mark and Pam for sharing your Mom with me. I loved Norma very much. Loved the way she loved and cared for my Dad. I have very fond memories of time spent with her. She was a good sport and lots of fun. You are in my prayers

“ Wow so many memories, but the one that will always stick out for me was when everybody left her at the church when she married my grandpa. I still remember the look on her face when she got home. PRICELESS RIP

“ Never a dull moment with Auntie Norm around. The last family reunion I went to she told me that just because I was an adult and taller than her didn't mean she wouldn't whoop me for not giving her a hug fast enough. I will cherish every memory.
