“ *Debra, Jennifer, Jeff and family,
I was so surprised to hear about the loss of your Dad. Somehow by chance I ran into Debra on Monday and she informed me of your Dad's passing. I am so sorry and my heartfelt condolences go out to each of you and your families. I think of your Mom often and miss her so much. We had so many good times at Blakely and also at our GNO (Girls Niight Outs)! I know your Dad will be greatly missed but am sure he and your Mom are having quite a reunion in heaven above.
With Deep Sympathy,
Lisa Lummis*

“ Jenifer, Debra, & Jeff,

Thinking of all of you during this incredibly sad and difficult time. Your father was the absolute kindest next-door neighbor one could ever hope for. He always showed up at our doorstep every Christmas Eve over the past 26 years with a gift bag full of goodies. I really enjoyed the many conversations that we had over the years as he would often stop to chat if I was out working in the front yard. Likewise, your mom was always so friendly and much missed. Now also missing your father so very much.

We are so sorry for your loss and send our deepest condolences to all of you.

A truly good man who affected many - always noticing the little things that made such a difference. He always remarked about my mother being a special person - I think Orvis was that special also.

Thoughts and prayers are with you.
