“ *Calla & family,  
We are so sorry to hear about the loss of Pam. I know that this is a hard time for you, but know that she is still with you; watching and protecting you from up above. You kids were such a joy in her life. I will never forget the look of happiness and pride that was in her eyes watching you graduate Calla. Just know that she is in a place now where there is no sadness or pain. She will be watching over all of your accomplishments. All of our love and prayers are with you now at this difficult time.*
