“ Back in the good old days singing with Pam in Sweet Adelines.....I could really tell ya some great stories which I cherish the movies forever. Pam and I use to talk on the phone for hours non stop when we were younger and could talk that much about nothing but had some good laughs. She will be missed very deeply. RIP my dear friend. “ Pam had a very strong personality with a big heart and could always be counted on to tell you what she thought about things. She was devoted to her family and always kept up with their trials, tribulations and triumphs. During basketball season she made the trip to Olathe with me to see her nephew Jack play basketball. Sadly, it was, as I recall, the only game all year where he didn't get any playing time. But, I'm sure it meant a lot to him to know that his Aunt Pam was there for him.
