“ *So sorry for your loss. Patricia was a kind, sweet lady. We knew her from MPH as we sat close to where she and Jeanene always sat. Upon visiting, we found out that I grew up on a farm near where her sister Phyllis lived. We always enjoyed visiting with her.*

“ *Dearest Family,*

A broken heart for sure, but memories of your Mom's laughter reigns supreme. Always giving, always loving, and always welcoming - that was your Mom. Everyone was blessed to have known her and shared in her radiant light. We find comfort in knowing her faith has brought her restful peace.

Her friendship meant so much to many, especially to our family. With so many memories, there isn't a particular moment in time to share as her whole book of kindness, affection, and joy is much greater than the parts.

I send you each the love and bone-deep hugs Pat gave and received. She is dearly missed but genuinely never forgotten.

Our love is with you,

Greg

“ Dear Christie Family...

What to say...

Pat was definitely one of a kind, her orneriness, her silliness, her laugh. She had many words of wisdom and advice.

We have so many fond memories of her volunteering at the hospital, many laughs when she was around and always a fun time! Her dedication to her faith and family was extraordinary. I know you will miss her dearly, please know the many lives she touched and how she just made people happy! She was quite amazing!!! Loved her dearly.

“ *Dirk and Family, I am sorry for your loss of your wonderful mother. I so enjoyed visiting with her all the years we were at Holy Name. I always told her I admired her strength, as she was constantly doing something for others. She reminded me of the ever ready battery, going, going, never stopping! She had talked to me about moving into Martins Creek, I hope she got in there and had a few years to enjoy it. Thinking of all of you at this time. May she rest in PEACE.*

I am sorry to hear this such great memories being her neighbor. Her apple pie was the best. She was always heading somewhere . I enjoyed helping her and Wayne a few long talks over the fence. We never solved the worlds problems but we sure gave it a great shot. Rest In Peace Pat. Love Daryl and Vicky Meredith
