“ My sympathy and prayers go out to all of Pat's family. I have such fond memories of going over to the busy Donahue home with my parents, Patricia & Orville Diffenderfer, when I was a small child. Pat was named after my Mom, as I recall. Pat was so kind to me, being 5 years older, like a big sister & Mary was a fun little sister. We had "Happy Days". God bless you, all, during this difficult time.

“ Dear Julie, Mark and Chris, I am so very sorry to read of your mother's death. I met her many years ago when Nathan and Mark went to preschool and school together and when her father and mine were sharing a room at the Santa Fe Hospital extended care unit. Later we lived around the block from each other. I liked your mother very much but unfortunately we lost touch with each other as our lives had a number of changes. Just last week I was thinking of her and wanted to find out where she was. Please accept my very deep condolences. This news makes me quite sad.
