“ *It*s been a long time, but as I age I often return to some wonderful memories of staying with a family that was so pleasantly unlike mine. I will always sense that the Marvin family triggered my love of humor and gave me a notion of what freedom means in a socially responsible context. I've been living in Germany since 1973, teaching school and translating (www.middleton-group-translations). Jim Jr, if you read this, I*d love to hear from you. Do you remember looking together for the most beautiful girl we've never seen? I was so sorry to read that Pat passed away. But it was so good to read about her and remember you all.*

My mother passed away 2 1/2 years ago. My sister Carol died in 2003 and my father in 2002. My sister Elizabeth (Buffie) is doing well outside of Chicago. I have three children with my wife Viola (Chris 36, Nic 33 and Marisa 30) and one little baby with my new partner Ute (Lara Marie 7 months.)

Take care and all the best to you.

“ *Jim, Those great world discussions at the mall food court have been missed for these past 10 years and will forever be remembered as wonderful times with you and Pat. She has been a blessing to all of us for many years and her memory will continue to do just that in the years to come. God Bless you and your family.*

“ *Big Jim,*

We cannot begin to express how special of a woman Grandma Pat was in our lives. She still is and always will be. If you and Aunt Jill need anything, we are always here for you. But know now that we can always look up in the night sky and see her star shining down on us.

*Love always with lots of hugs and kisses,
Amy, Conner and Caitlyn*

“ *Jim I always enjoyed seeing you and Pat at Urban Salon. I saw a happy devoted couple making their way with some difficult circumstances. You are a good example how a marriage relationship should be, everlasting mutual devotion. Please give my deepest sympathy to all the family. Pat was a special person, she will be greatly missed.*

“ Dear Jill,

I was so sorry when I read your message that mom had passed away. It was the day you were born, the baby was born, and your mom left. She was strong and tried so hard to get well but, it was her time to move on.

I feel it was such a blessing for you to be living in town and at the house, to spend time with your mom and dad. Things happen in which we do not understand at the time, but makes sense later on. I have great memories of your mom when we young and the kids from Ward Parkway. Jill, if you or your family need anything, please let me know. Remember, I am just a tin can and string away from your house.

Love, Jackie
