“ *Scott and family; Saw where Pat passed away and wanted you to know that those of us still working at Farmers Alliance still talk about the days when Pat ran the claims department. She was firm, but fair, and we all had a lot of respect for her, Ruth and Lyone. Oh, the things they put up with from all of us..! There are some wonderful memories there, as I'm sure there are for all of you. Thinking of you guys..*

“ *I also began in the Claims Department at Farmers Alliance in McPherson, KS with Pat Paulseen, Ruth Wright and Lyone Dielman. I was a young girl of 21 when I started and was scared to death of those 3 ladies. They cracked the whip and you jumped. They asked for respect and deserved it. Looking back she taught us all how to be good workers and to be respectful to others. She had a great smile and laugh. I'm glad she was here for us young ladies at that time in our lives.*

“ *the family of Pat Paulseen, Thinking of you all. Thank you for sharing the obit in Mcpherson. Pat was my first boss when I started my job at Farmers Alliance. She was the best, she would stand up for the people that worked for her. IT was Pat, Ruth Wright and lyone Dielman. The 3 ladies that were in control of the claims dept. The men in the dept thought they were, but the weren't. I still work at FAMI and think of those 3 ladies often. AS now I'm one of the older ones here in the office and I like to think that I am somewhat like Pat, Ruth and lyone, and hope that the young ones coming in have as much respect for me as I did for those 3 great ladies. Have good memories, because I still do.*
