“ *I miss you, Mom. I am so lucky to have been your daughter. You did so much for me and your grandchildren. We wouldn't be the people we are today if it had not been for you. YOU were the backbone of this family. And it is very hard to go day by day without you. You are all ways in my thoughts and in my heart. Some day I will be with you again. Until then, I will have to be satisfied with the great memories you gave us. I LOVE YOU!*
