“ *Sorry for your loss. I went to school with Pat and we worked together at Joe White's IGA. He was a true friend at the time. I was planning on attending today's services, but my wife (who has lung cancer) had a bad night last night, so spent time with her. Again sorry for your loss.*

“ *Dear, dear Brennan family,
My condolences on your most recent loss. It staggers me to comprehend your losses this past year.*

Pat was always so passionate about Al Cabones....I loved that store, as did my four legged children. I know that he was greeted by all those that have gone before him and will be yet another Guardian Angel for the Brennan Clan.

My prayers are with you all.
