“ Dear Diane, Pete, Amanda and Morgan,
We all would like to extend our condolences to your family upon the loss of your of your father / grandfather. The love and compassion your family so easily shares, and which has also been very evident over the past several years in the care of Paul, has had the added effect of inspiring us as to how a family should be, especially through hardships. May treasured memories, family and friends help you through this difficult time. You are in our thoughts and prayers.
Love,
The Wayners
