“ The day I met Paulette, I knew she would be my friend forever. We worked together for 16 years. Even though I moved to Colorado we stayed just as close. We went on 6 cruises and other girls trips. Paulette made me laugh, I Loved her like a sister. I could write a book about her. It would be a best seller, I am sure. We have been through so much together. I will miss her dearly. Rest In Peace, my precious friend.

So sorry to hear about Paulette. We know she is without pain now and in the company of her new friends--God's angels. Lloyd-- our hearts and prayers go out to you and your family. We will never forget how we met you and Paulette and how you both became our groom's man and matron of honor. You helped to get Jack and I together. You both will always be in our hearts. Also enjoyed the times we got together at your home in Topeka. Thank you so much for your giving hearts.

“ *I remember many happy times with Paulette while we worked at Let's Help. Paulette and Linda Lolli's rendition of "New York, New York" remains one of the funniest things I have ever seen, top hats and all. I am praying for peace and comfort for Paulette's family.*

Father of all, we pray to you for Paulette and for all those whom we love but see no longer. Grant to them eternal rest. Let light perpetual shine upon them. May her soul and the souls of all the departed, through the mercy of God, rest in peace. Amen.

Lynda, I am laughing out loud!! We had a blast that day!! I wish we had that video. My heart is hurting, I Loved Paulette like a sister.

I miss my precious sister every single day and pickup the phone to call her as I did every day and then remember I don't have Heaven's phone number. I started texting her, but she probably won't read it, but that's okay. She's having a blast with Brian and my son, Derek! I envy her! She will live in my heart forever! She's the best friend and sissy you could ever ask for!
