My heartfelt sympathy to the Calhoon family. May God comfort the Calhoon family in the loss of a wonderful person, Peggy. Her smile would brighten the room anytime she walked in to the place. She loved and supported her family. May she rest in peace.

“ Chuck, we were extremely saddened to get the news that Peggy had passed away. Becky has many fond memories of her time with Peggy from school to working at Southwestern Bell. Peggy was always there helping her and providing support and advise. I also enjoyed the times with we had with both of you. I still have the shelves with you built for me many years ago. Peggy will be missed.

Sorry we could not be there for the funeral. Becky fell early in September and broke her leg. She is home bound for now and we are working to get her back to normal.

“ Our condolences for your loss. We were at Mother Teresa’s Jamboree this year and we remembered seeing Peggy there a year or so ago and wondered how she was doing. I know she will be missed. Lots of good memories from the OCC days. My brother Steve passed in February, they both were too young to leave us but we know they are with the Lord. We are on an extended trip and will not be able to share our condolences in person.

“ I had the pleasure of first meeting Peggy Calhoun when she and husband Charles stopped by where daughter Carrie worked. She was very proud of her daughter and it was easy to see on her face the mother’s love she held. Through Carrie I had several other occasions to meet the Calhoun. Peggy did indeed love Jayhawks and softball but above all she loved her family. Her grandchildren meant the world to her and when able she loved to watch them for Carrie. Peggy taught her daughter to value family, friends and God. Her values and humor and life spark lives on through her family.
