“ *We were so sad to read of Peggy's passing in the paper. We still remember those good old days when we were all raising our children together in the old Likens-Foster subdivision. The back yard conversations, parties, and we men all driving to work together in the old chevy. Our prayers are with you and the kids. I used to think E-Mail's were not a appropriate way to express feelings, but we so appreciated your note about David.*
