“ *All my love to Site's family,
My deepest sympathy. I thank God I was blessed to have known Site. She was not only beautiful on the outside but, her heart was just as loving. I will miss Site. She was a great friend. We would talk and laugh about all sorts of things. Such a contagious laugh Site had. An as I remember Site. I will shed tears but, tears of love and joy. To know that God has welcomed Site into Heaven with open arms of love, a hug and a smile on his face. For his child has returned home. May God Bless you and keep you tightly within his arms.*

“ *To the Family of Site,
Our deepest sympathy. We will forever hold a special place in our hearts with love and devotion. Site was not only a great Teacher but, our friend. She held the tiny hands of children with love. Comforting them when sad and rejoicing in their accomplishments. They talked, laughed and played together. Even sharing secrets. A freindship built between Teacher and Child from love. Please, know our prayers are with you. Always remember how blessed we are to have her in our lives. An we now have another beautiful Angel to sit on our shoulders to watch over us. God Bless You!*
