“ *Daddy, I will always love and miss you forever!! Our KU basketball team better get their butts in line and play a good season for you. I just wish you and I could watch one more game together. Thank you for always loving me and our grandbrats and mom so much. A life without you will now always have a missing part and not be complete. But I promise I will never let Sean and Sheridan forget you. Now just help our jayhawks win the championship this year. Love you daddy.*
