“ *I thought that not having you in my day to day life would be hard, but you will always be in my heart. There are so many things I will cherish about you, your silly little smile, the way we had to play charades every time we had a conversation, how you always referred to EVERYTHING as "That damn thing over there!" and the way you always found 10 more things that you needed me to look at before you would let me get out the door. Your favorite guy will always cherish the memories of you; he loved you as much as you loved him. I have no doubt that you know how much I loved you and it's comforting to know that you are no longer in pain! Rest in peace mom, I love you with all my heart! debi*

“ Hi mom, I haven't wrote anything here yet but I don't want you to think it's not because I don't love and miss you, I just can't yet, just know you're in my heart and are very much loved. I'm grateful you're no longer in pain and that you're in a better place. Give dad and Aunt Dorothy hugs and kisses. All my love, Sandy
