“ I am just now seeing that my Dear Friend Raymond has passed! My deepest Sympathy to Sharon, Lotetta and the entire Martin Family. I enjoyed remembering Raymond's Birthdays and when I would stop by during the Garage Sales. Raymond was my Fast Pitch Softball Coach out at the Lake. He was the most Patient person with us Girls. I will miss him and will pray for Peace for the Family.

“ I have many memories of him being at Rachel's softball games when she and I played together on the Phillies. He sure liked his sports and supporting his grandchildren by being at as many of their events as possible.

“ Loretta and family

I am saddened to read that your father has passed. I remember Mr. Martin fondly as a kind, caring man. He even helped my parents after they moved back to Topeka and live across the street. Hold you memories close to your heart.

I loved Ray. I've been married to his niece for 54 years and knew Ray for 5 years before that. I've prayed for Ray. God Rest Ray's Precious Soul. I've been his Nephew since I married his niece, and my beautiful wife of 53 years, Cindy. David Holliday

So many memories of the Martin family. Uncle Ray and Aunt Flossie and all their children will always hold a special place in my heart. From staying with them during the summers when mom would need a break from me to the day mom passed away. He was the official "ear piercer" of the family and I remember causing him so much stress when I started crying. He was always so caring and my son, Shane, thought the world of him as well even sneaking out to the garage with him to have a cigarette! Thank you Uncle Ray for always being you and always being there for me. Love you, Rene
