“ To my cousins:

*Your Dad was sweet. At the reunions he always talked to me. He liked me - I guess because I look like Grandmother Warner. It's like Greg Frederick once said: "They're all special." God bless you Uncle Ray and rest in peace. Ginny Wessling*

“ I used to work at Aldersgate and Ray became a dear friend to me. I called him Ray Ray and he loved it! The first time we met was flying kites outside at Aldersgate. I am sorry for your loss, he brought so much laughter to my life. He always had something intelligent or humorous to say and was so interested in my life and how I was doing. He was a great man and will be dearly missed. I'm praying for you all.

love,
