“ *Dear Mary Ann and Family:*

*I have many fond memories of working with Dick so many years ago. Also remember your Father Connie Ehrhart who was a long time Santa Fe employee. Dick gave his job 110% of his ability all of the years he worked. I'm sure you as a family thought many times that was too much to give, but he enjoyed his work and the association he had with those who worked with him. Hope he was able to enjoy some retirement before this last illness! I join you and your family in mourning his passing! Sincerely: Dave Leighty*
