“ We truly feel your sorrow at Richard's passing because we have been blessed to have him as a friend and neighbor for the past 23 years. We will miss his smile, jokes, willing hands to help, and all the fun times we spent with him and Cheryl. May your faith and ours give us comfort for we know Richard is now safe in the arms of Jesus. “ *Sorry to hear of Richard's passing. I have known Richard since grade school and living in Highland Park. Richard was one of our running buddies and have memories of him loosing control of his 55 Chevy with me in it and running through our basket ball coaches (Jack Ficklers dad) and taking out a car length of bushes. Mr. Fickler was hot, but never found out it was us. Had a good laugh after that one. Time passes and we lost touch, but many more memories still remain.*

“ We were saddened to hear of the passing of our good friend Richard. After a diligent search for a good contractor, we were so fortunate to find a great contractor. He was meticulous and patient, and we spent many hours working together and bantering back and forth, which Richard was very good at! Raymond was almost as good as his Dad at bantering (Raymond, I still have the wooden pen you made me in a prominent place on my desk)!

Richard will be missed.

God bless

I still remember Richard from high school, living out next to Western Hills golf course and especially Raymond as you and Baron played basketball together at Holy Name. Your grandma and your dad's mom was one of the most supportive of our little team.
