“ *I just found out about Rikki late yesterday afternoon. I had the opportunity to work with Rikki a several years back at Hills, and I will always remember her sense of humor and smile. She was a fun person to be around and although I have not seen her much in the last several years, I will always consider her as a friend. My thoughts go out to her family and her close friend Jill for the loss of a special person who added a little happiness in all of our hearts.*

“ I am so very sad to hear of Rikki's death. We had lost touch over the years, but she had been like a big sister to me. I can't picture a world without her vibrant personality and positive attitude in it. She had the best smile and, God she adored her boys. I will never forget her.

“ Rikki was a huge part of my life and will always have a special place in my heart. She was a part of the most important moments of my life, and I have so many memories to look back on. Rikki was a bridesmaid in my wedding and pretty much got me through it. She spent two nights with me in the hospital when I had my first daughter and was one of the first to ever hold her. She had a HUGE heart. Donna, Ken, Scott, Tanner, Tyler, and Rob, I am so sorry for your loss. She will be missed so much.
