“ *Bob was a colleague and good friend when we both taught at West Junior High. All my kids had him as a teacher and thoroughly enjoyed his classes. My oldest son is in the construction business today and the career path he chose is due to the relationship he established with Mr. Sebree. Bob was certainly one of the good guys. He will be missed.*

“ Our condolences go out to his family. Mr. Sebree had all of us Bolton Boys in shop class at West Jr. High. He had an amazing ability to create a wonderful learning environment all while having fun teaching in the wood shop. He gave us his all when he taught shop and made a lasting imprint on all of us three boys. Another wonderful man that made impacts on generations of Lawrence USD 497 kids. He will be greatly missed!

“ I have known Bob since his teaching days at Logan Junior High and mine at Shawnee Heights Junior High but our closest friendship developed when we worked together for many years at West Junior High. Bob was a true gentleman in every sense of the word, respected by colleagues for his professionalism and sincerity, adored by his students, and a treasured friend and confidante to me. The world was a better place when he was in it and I will miss him. Condolences to Jeanne, Jeff and family as you mourn the loss of a truly wonderful man.

Mr Sebree. Thank you for being a great teacher to me. I loved your shop class at west. I really wasn't good at anything else but I loved the hammer we made together. It looks like you had a great life and family. Thanks!
