“ *Dear Boston family: I have known Bob as a friend and in High School since I graduated in 1943. I was older than Bob but remember him as a fun guy, and a wonderful person to be around. As we gathered later on in life for reunions in May he was always the one with a joke and a smile on his face. He was a very proud and wonderful person to be around. I have enjoyed an online relationship with Rosemary for the years since he has been ill. May God Bless you all. Emogene Nieman (CGHS Class '43)*

“ Rosemary, just now upon learning of Bob's passing I could only sit here and cry. My heart breaks for your pain, but I'm trusting Bob is laughing with my Hugh in heaven today.
Please know that I am here for you whether by email or phone. I know your pain, but honey, remember that God knows it too. Lean on our Lord for strength and He will give to you. I pray Jesus wraps His arms around you and your family as you learn to live life without your beloved husband, father and grandfather. I was blessed to have had the opportunity to meet Bob in person that year Hugh and I were able to come for a visit. Bob was such a delight to us. I will never forget his marvelous sense of humor and that wonderfully jovial laugh of his. Bob was a man of joy, and I know you will miss him deeply. May it comfort you to know it doesn't get any better than heaven!
I love you Rosemary. I loved your beloved husband too. Love and hugs, Charlotte
