“ I had the unique pleasure of working with Bob at the KCC. He was a stellar attorney, with an agile and quick mind. I also considered him a friend. My thoughts and prayers are with all of his family and friends during this time.

“ I had the pleasure of working with Bob during both of his tenures at the KCC. He was a mentor and teacher to all who worked with him. 25 years ago Bob was my attorney when I testified in a major rate case for the first time. Thanks in no small part to him I became a pretty good witness. There are many other witnesses here that could say the same! On a lighter note, whenever staff had a question about how to fly airplanes, and there were many, Bob always had the answer :-) I will miss him greatly. John Bell, Senior Managing Auditor, KCC.

“ *Connie and my thoughts and prayers are with Claudia and the girls. Bob would call occasionally to reminisce on his days as my juvenile prosecutor and catch up on the legal happenings in Reno County. He would then proudly tell me the latest of his family and the accomplishments of his daughters.*

Bob was an aggressive, good attorney, and a fine representative of the legal profession. More importantly, he was a good husband, father and friend.

He will be missed.

“ *Bob Fox will certainly be missed at work (KCC). He was a kind man who loved to share, teach and give great advice. Bob treated no one as beneath him and was very encouraging to all. My sincere sympathies and condolences to his family. You are in my thoughts and prayers.*
