“ *Bobby was a delightful person from the neighborhood. I will always remember working with him and Gina in the upstairs kitchen one night of Fiesta. We were so busy filling orders and out of the blue Bobby yells out " hey Gina I need more fries"...we could hardly contain ourselves.*

*Godspeed Bobby G....say hello to my family for us please. Enjoy paradise.*

“ Robert was happy go lucky guy he would always put a smile on your face and I remember every Christmas he would bring pictures into the beauty shop of the houses he decorated and they were always so beautiful. He did me and my grandma Mary nails at Wet Heads West and then this last year I would always run into him at Dillon's North and he still would make me smile after all these years.RIP

“ I knew Bob in 1977. He taught me so much about life and living. Boy did he live. He taught me how to laugh at myself and to accept everyone warts and all. He cut my hair and did my nails. He made me feel special and unique. Bob introduced me to a New Years eve Mexican wedding. I had so much fun. I still tell others of the time when we..... Bob, family, my heart grieves for you. Enjoy the Banquet in heaven, It is there for you and all our friends.

*Peace!*

“ Bobby was a happy go lucky guy, he always loved to make people laugh. I remember the time when we were kids he a bag of firecrackers and he went into the house and somehow the bag started popping he didn't know what to and put the bag between the doors ( quit a laugh ).  
We were at aunt Dee's and Booby was there and I chased him with a dead mole and everyone got a big laugh.  
He always enjoyed coming to mom and dads cause he new mom would feed him, he enjoyed her cooking.

We will dearly miss him,  
Miguel Hernandez
