“ What an amazing man. He loved his family so much. I so enjoyed the time we got to spend together. Just bad timing i guess. You taught me to believe in myself again. Just know you will be missef dearly. I will always love you.

“ Dear Michelle and family: I was sad to see that “that Robert Kennedy” had passed away. I hope my prayers over the years since we sat together in the hospital chapel and talked about your brother helped in some small way. You are a special person so he must have been as well. Bless you all, Lee Smith
