I know Rob and Joni from Pool League. Whenever they showed up, I was ready to party. Rob was such a great player and taking Joni under his wing, teaching her his tricks of the trade. I'll really miss seeing him there with his glass of red wine.

“ Such great memories of growing up with the Duran family as our wonderful neighbors and friends in Elmont. Julie, Theresa, and Chuck, I am sending lots of love. Rob was the absolute cutest little boy. Some of my earliest and very special memories are of shuttling back and forth between our houses to play.

“ I remember,
Molle for supper at your parents' home.
Shooting Pool together.
You driving the nicest Mopar's and Honda Shadow's before Harley.
Replacing U joints and brakes on my truck more than once at Cloverleaf Standard.
Years later, finding out we had bought the same Black Z71's.
Just gave me your old hood when clear coat went bad on mine.
Will miss you my friend,

“ I didn't have the pleasure of knowing Robert or his family myself. However, I know some of his friends. They mourn his loss and grieve for his family. May his friends and family find peace and comfort in the days ahead. Love, hugs, and blessings to all.

“ Sending Prayers and Hugs your way, Joni. Rob said you were "the love of his life and I believe that's true! His face would light up, whenever he was with you, or talked about you! I hope you find some comfort, in knowing that.

I played sports with Rob In Junior High(he was a good athlete) and we attended High School school together. As I remember all the girls had a crush on him. We always had a shared interested in mc/cars. Twenty plus years later Rob would come down to our mc shop occasionally, and it was always easy to start up a conversation about riding. My condolences to all his family on their loss.
