“ Lynn and Donna do sorry for your loss. He was one of the great dad's, like mine. Enjoyed his friends, and loved his family, with a smile on his face. My heart goes out to both of you and your families.

“ What a blessing to have such an incredible dad! He was always a family man first and willing to share his talents, skills, advice when asked, and gifts for anyone. You will be missed greatly. I'm at peace knowing you're free of pain, with family, and dancing your heart away with your favorite partner....Mom. Love you eternally.

*Uncle Robert, you will be sorely missed. He was a quiet man who put family first, would do anything for any member of his family and shared his knowledge with all of us. He's now singing with the angels and again reunited with his wife, mother, brothers and sister and countless friends. Love you so much, Uncle Robert.*
