“ *Dear Family,  
Our sympathy, love and prayers are with you as you say goodbye for now to Roberta. She is now in a better place--free of pain and full of joy as she enters heaven's gates, but know you will miss her very much. She made everything more fun when she was with us! I can still remember the many happy times when our families would get together to eat, laugh, play and enjoy being "cousins"! I live in Washington State now so cannot attend, but will be with you in spirit.*

“ Dear Tom, Barbara, David and Family,

*A special soul has been received by the heavens...  
I wish I could come back for the funeral. I am living in CT. I have so many fun memories of Cousin Roberta on our visits to their farm playing in the hayloft as children. She was a gift then and is an angel now sending us love and comfort from the other side. Love to all of you.*

“ Dear Tom, Barbara, David and Family,

*Our heartfelt condolences are with you all. Roberta had a friendly smile for everyone and it was always good to see her at Massoth get-togethers. I remember going to Uncle Gerome and Aunt Ann's for the 4th of July when we were kids and having so much fun with all of the cousins. We are glad we got to see her at Uncle Al's funeral. “ Dear Tom, Barbara, David, and family members,  
May God bless all of you at this time and hold you close to His loving heart. We wish we could be there to stand by your side so you would know you are not alone. You have many friends and loved ones who care and wish you peace. Roberta was just like her mom and dad, so generous and kind. I remember staying at their home on the farm when Mom (Aunt Joan to her) was sick with TB. We will treasure all our memories of Roberta, especially at the family reunions. Please know we continue to keep praying for all of you. Uncle Martin and Aunt Joan send their love and condolences, too.

“ To Bert's Family: I met Bert several years ago when we both worked at the courthouse. We began sitting together at church each week and were both surprised to learn about 2 years ago that we were almost related. Her Uncle Al was married to my cousin, Julia. I have missed her at church and knew she wasn't doing well. It was a pleasure getting to know Bert. I will keep her and your family in my prayers during this sorrowful time.

“ Thad, Tyler, Tom and family, I am so sorry to hear of your loss. Roberta has always been a wonderful person. I am just at a loss for words to say what I want to. I babysat for the two boys when they lived in lola and then always kept in touch with Roberta and looked forward to her Christmas letter. I remember her laughing one time when I talked to her last that I still had an wall earring holder she made for me when I graduated from high school. (and I still have it hanging in my bedroom). God has received a wonderful person.

“ Oh Tommy Badwords...I will never understand why a man as nice as you, has had to go thru the pain of losing two wives. My heart goes out to you. I know Tina and Doug and the rest of the family will be looking after you but if you ever need anything you know how to get ahold of Darrell! We both love you and will be thinking about you!

“ Dear Tom, Barbara, and all-- we just got the message from Barbara this evening; we had been praying for you all as well since we heard of Roberta's illness. Thank you for remembering to contact us. It was so good to see Roberta and Barbara in January at Papa Al's funeral. Janis said she was going to send a real card; I hope it came in time. Richard is working in South Dakota still; at least one of us will try to get over this week.

“ Hi Tom & family,

*Just a note to say hello and let you know we have been thinking of you, and praying for you, Roberta, and family. Barb has been great at letting us know what was happening, and know you were glad for her help and support. Roberta was a caring person, and was very happy when you and her were married in 1999. I'll always remember the time you both stopped at the farm shortly after you were married and how happy you both were and no doubt have been for several years. We loved her Christmas letters and enjoyed hearing how everyone was doing. Glad we got to visit with her in January at U Al's funeral. We will visit more on Wed or Thursday.*
